Subject: SCH # 2022050478 Draft EIR Corrected Figures

To Whom it May Concern:

The California Department of Parks and Recreation acting as the lead agency in compliance with the California Environmental Quality Act (CEQA) uploaded the Draft Environmental Impact Report (EIR) for the Topanga Lagoon Restoration Project (SCH #2022050478) onto CEQANet on February 12, 2024. It has since come to our attention that several figures had slight errors that require correcting. This submittal to the SCH includes the corrected figures. Please include these figures as corrections to the Draft EIR currently in public circulation through April 12, 2024.

Your attention to this matter is much appreciated.

Sincerely,

John Ota

California Department of Parks and Recreation
